25X1 MEMORANDUM FOR: [REDACTED]

CBJB Coordinator, GDIP Staff

25X1 FROM: [REDACTED]

CBJB Coordinator  
Program and Budget Staff

SUBJECT:

ADP Section of FY 1987 CBJB and Congressionally Directed  
Computer Security Report

1. As you requested, this is to confirm our conversation of 21 November 1985, that the Congressional Staff members have agreed to allow us to discontinue the ADP section in the CBJB's, commencing with the FY 1987 submission. None of the NFIP Programs will include the ADP section in this year's budget books. [REDACTED]

2. For purposes of responding to Congressional requirements for data on Computer Security (COMPUSEC), we are informing the HPSCI staff that the NFIP will respond to the HAC request for COMPUSEC information, and that copies will be provided to the HPSCI. As you know, the HPSCI had originally asked that COMPUSEC information be included in the ADP section of the CBJB. Since the ADP section has been eliminated, and the HAC has requested a more detailed response to the same issue, we felt that the above approach would be appropriate. The IC Staff coordinator for the COMPUSEC Report will be [REDACTED] of the Information Handling Committee, IC Staff (Secure
